

## STANDARD RETURNS POLICY

### ICE HOCKEY

Items ordered from [store.stx.com](https://store.stx.com), which are not part of the 14 Day Demo Program, can be returned within 30 days of receipt, as long as the item is unused, hasn't been washed and is in its original packaging.

To start a standard return for your order please [click here](#)

After 30 days, we review each request on a case-by-case and do our best to accommodate all that are reasonable. STX's determinations however are final.

At this time, we do not offer exchanges through STX.com. If you would like to get an item in a different item, size or color, simply send the product back and place a new order on [store.stx.com](https://store.stx.com). This is the fastest and most efficient way for you to get your replacement item.

You may also give us a call at 1.888.789.7894 between 9 a.m.– 5 p.m. ET Monday – Friday and we would be happy to help.
